| Date of Next Testing:    | 2027-07-21 11:11:30                                                     |
| Product Name:            | Recombinant Sortase A                                                   |
| Lot #:                   | ZJ26F0737576                                                            |
| SKU #:                   | S755808                                                                 |
| Version:                 | 1                                                                       |
| Analysis #:              | 037761                                                                  |
| Source:                  | Recombinant                                                             |
| Specifications & Purity: | EnzymoPure™, Endotoxin Tested, Recombinant, ≥95% (SDS-PAGE), ≥5.0 mg/mL |
| Concentration:           | 6.5 mg/mL                                                               |
| Formulation:             | Liquid                                                                  |
| Reconstitution:          |                                                                         |
| Storage Conditions:      | Store at -20°C, Avoid repeated freeze-thaw cycles                       |
| Analysis:                | 037761                                                                  |

| Parameter                       | Limit Value | Result  |
|---------------------------------|-------------|---------|
| Appearance(S755808)             | Liquid      | Liquid  |
| Protein concentration ≥5.0mg/mL | Conform     | Conform |
| Purity (SDS-PAGE)≥95%           | Conform     | Conform |
| Endotoxin Level <5 EU/mg        | Conform     | Conform |
