Product Name: **Toluidine Blue O Stain Solution (For Cells)**

CAS Number:

Specifications &amp; Purity: BioReagent, Biological Stain, for microscopy

Lot #: ZJ26F0332994

SKU #: **T1511051**

Version: **1**

Analysis #: 030454

| Parameter                                       | Limit Value                     | Result                          |
|-------------------------------------------------|---------------------------------|---------------------------------|
| Appearance(T1511051)                            | Blue liquid, free of impurities | Blue liquid, free of impurities |
| Seal Integrity Testing                          | Conform                         | Conform                         |
| Performance (Acid mucopolysaccharides in cells) | Magenta                         | Magenta                         |
