## Certificate of Analysis

|                          |                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------|
| Date of Testing:         | 2026-04-14 15:44:19                                                                                             |
| Date of Next Testing:    | 2030-04-13 15:44:19                                                                                             |
| Product Name:            | <b>1,3,4,6-Tetra-O-acetyl-2-deoxy-2-(2,2,2-trichloroethoxycarbonylamino)-<math>\beta</math>-D-glucopyranose</b> |
| CAS Number:              | 122210-05-3                                                                                                     |
| Specifications & Purity: | $\geq 98\%$                                                                                                     |
| Lot #:                   | G2208416                                                                                                        |
| SKU #                    | <b>T419540</b>                                                                                                  |
| Version                  | <b>1</b>                                                                                                        |
| <b>Analysis #:</b>       | <b>688934</b>                                                                                                   |
| Storage Temperature:     | Store at 2-8°C                                                                                                  |

| Parameter                | Limit Values          | Result                |
|--------------------------|-----------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            | 99.90000 %            |
| Proton NMR spectrum      | Conforms to Structure | Conforms to Structure |
| LC-MS for identification | Conforms              | Conforms              |
