Product Name: **Trimethyl borate**
CAS Number: 121-43-7
Specifications & Purity: for synthesis
Lot #: C2413079
SKU #: **T431603**
Version: **1**
Analysis #: **207284**
Storage Temperature: Room temperature, Argon charged

| Parameter | Limit Values | Result |
|---------------------|-----------------------|-----------------------|
| Purity(GC) | 99-100 (%) | 99.01% |
| Density (20°C) | 0.930-0.934 | 0.93 |
| Appearance(T431603) | Colorless Liquid | Colorless liquid |
| Infrared spectrum | conforms to structure | Conforms to Structure |
