

## Certificate of Analysis

Date of Testing: 2024-05-25 14:12:04

Date of Next Testing: 2027-05-25 14:12:04

Product Name: **Trioctylphosphine oxide**

CAS Number: 78-50-2

Specifications & Purity: technical grade, 90%

Lot #: E2415063

SKU #: **T477094**

Version: **1**

Analysis #: **361759**

| Parameter           | Limit Values          | Result                |
|---------------------|-----------------------|-----------------------|
| Purity(GC)          | 89-100 (%)            | 99.76 %               |
| Appearance(T477094) | White Solid           | White Solid           |
| Infrared spectrum   | Conforms to Structure | Conforms to Structure |
