## Certificate of Analysis

Date of Testing: 2024-08-05 13:37:15

Date of Next Testing: 2026-08-05 13:37:15

Product Name: **Vinyl Myristate (stabilized with MEHQ)**

CAS Number: 5809-91-6

Specifications & Purity:  $\geq 96\%$

Lot #: K2216762

SKU #: **V162936**

Version: **1**

Analysis #: **395346**

Storage Temperature: Room temperature

| Parameter           | Limit Values                                                                          | Result                                                                                |
|---------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Purity(GC)          | 96-100 (%)                                                                            | 96.30000 %                                                                            |
| Proton NMR spectrum | Conforms to Structure                                                                 | Conforms to Structure                                                                 |
| Appearance(V162936) | White or Colorless to Almost white or Almost colorless powder to lump to clear liquid | White or Colorless to Almost white or Almost colorless powder to lump to clear liquid |
