| Date of Next Testing:    | 2027-04-13 16:27:29              |
| Product Name:            | <b>X-Gal Solution (20 mg/mL)</b> |
| CAS Number:              | 7240-90-6                        |
| Specifications & Purity: | BioReagent, 20 mg/mL             |
| Lot #:                   | ZJ26F0434141                     |
| SKU #                    | <b>X1520260</b>                  |
| Version:                 | <b>1</b>                         |
| Analysis #:              | 032856                           |

| Parameter              | Limit Value                                        | Result                                             |
|------------------------|----------------------------------------------------|----------------------------------------------------|
| Appearance(X1520260)   | Transparent solution with no visible precipitation | Transparent solution with no visible precipitation |
| Seal Integrity Testing | Conform                                            | Conform                                            |
