## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Adrenomedullin Fragment 22-52 human</b> |
| Specifications & Purity: | ≥97%(HPLC)                                 |
| SKU #                    | <b>A118754</b>                             |

| Parameter                                                 | Limit Values |
|-----------------------------------------------------------|--------------|
| peptide content by amino acid analysis                    | 70-100 (%)   |
| Purity(HPLC)                                              | 97-100 (%)   |
| Appearance (A118754)                                      | white powder |
| Solubility in H <sub>2</sub> O , Colorless,Clear,0.5mg/ml | pass         |
