## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>2-Aminopyridine-3-methanol</b> |
| Specifications & Purity: | ≥98%                              |
| SKU #                    | <b>A119400</b>                    |

| Parameter                   | Limit Values                                                    |
|-----------------------------|-----------------------------------------------------------------|
| Purity(GC)                  | 98-100 (%)                                                      |
| Purity(NonaqueousTitration) | 97.5-102.5 (%)                                                  |
| Melting point               | 65-70 (°C)                                                      |
| Appearance (A119400)        | off-white to Faint Yellow to Yellow to Green Powder or crystals |
| Proton NMR spectrum         | Conforms to Structure                                           |
