## Specification Sheet

|                          |  |
|--------------------------|--|
| Product Name:            | <b>Human angiotension II Relative Molecular Weight</b> |
| Specifications & Purity: | Angiotensin II:1045.5                                  |
| SKU #                    | <b>A119706</b>   |

| Parameter        | Limit Values |
|------------------|--------------|
| Molecular number | 1044-1047    |
