## Specification Sheet

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| Product Name:            | <b>2-Aminopyrimidine-5-boronic acid pinacol ester</b> |
| Specifications & Purity: | ≥96%                                                  |
| SKU #                    | <b>A120137</b>                                        |

| Parameter            | Limit Values                                 |
|----------------------|----------------------------------------------|
| Purity(HPLC)         | 96-100 (%)                                   |
| Appearance (A120137) | White to Off-White Powder or Solid or Chunks |
| Infrared spectrum    | Conforms to Structure                        |
| Proton NMR spectrum  | Conforms to Structure                        |
