

## Specification Sheet

|                          |                                           |
|--------------------------|-------------------------------------------|
| Product Name:            | <b>2-Aminopyrimidine-5-carboxaldehyde</b> |
| Specifications & Purity: | 97%                                       |
| SKU #                    | <b>A123166</b>                            |

| Parameter            | Limit Values                                      |
|----------------------|---------------------------------------------------|
| Purity(HPLC)         | 97-100 (%)                                        |
| Appearance (A123166) | White to Yellow to Beige to Brown Powder,Crystals |
| Proton NMR spectrum  | Conforms to Structure                             |
