## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>2-Aminoacetophenone hydrochloride</b> |
| Specifications & Purity: | ≥98%                                     |
| SKU #                    | <b>A123237</b>                           |

| Parameter                               | Limit Values                               |
|-----------------------------------------|--------------------------------------------|
| Purity(HPLC)                            | 98-100 (%)                                 |
| Purity(Titration by AgNO <sub>3</sub> ) | 97.5-102.5 (%)                             |
| Appearance (A123237)                    | white to tan powder,crystals and/or chunks |
| Infrared spectrum                       | Conforms to Structure                      |
