## Specification Sheet

Product Name: **2-Aminoazotoluene**  
Specifications & Purity: **≥97%(HPLC)**  
SKU #: **A131595**

| Parameter                                              | Limit Values                                  |
|--------------------------------------------------------|-----------------------------------------------|
| Purity(HPLC)                                           | 97-100 (%)                                    |
| Melting point                                          | 99-103 (°C)                                   |
| Nitrogen by Elemental Analysis                         | 17.4-18.5 (%)                                 |
| Carbon by Elemental Analysis                           | 72.3-76.1 (%)                                 |
| Appearance (A131595)                                   | faint orange to dark brown powder or crystals |
| Infrared spectrum                                      | Conforms to Structure                         |
| Solubility in EtOH , Clear,Orange to Dark Brown,1mg/ml | pass                                          |
