Specification Sheet

Product Name: **Anthrone**
Specifications & Purity: 96%
SKU #: **A140968**

Parameter	Limit Values
Purity(HPLC)	96-100 (%)
Melting point	152-163 (°C)
Appearance (A140968)	Off-white to yellow crystals or powder
Infrared spectrum	Conforms to Structure
Solubility in hot Toluene	almost transparency
suitability for glucose-analysis	pass
