## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>Acetate standard solution</b> |
| Specifications & Purity: | 1mg/ml in water                  |
| SKU #                    | <b>A141207</b>                   |

| Parameter                         | Limit Values                  |
|-----------------------------------|-------------------------------|
| Concentration                     | 990-1010 (µg/ml)              |
| Appearance (A141207)              | Colorless, transparent liquid |
| Solvent(Water)                    | Conform                       |
| Related expanded uncertainty(k=2) | 0-4 (%)                       |
