## Specification Sheet

|                          |                       |
|--------------------------|-----------------------|
| Product Name:            | <b>Azobenzene</b>     |
| Specifications & Purity: | 1000µg/ml in Methanol |
| SKU #                    | <b>A141219</b>        |

| Parameter                         | Limit Values     |
|-----------------------------------|------------------|
| Concentration                     | 970-1030 (µg/ml) |
| Solvent(Methanol)                 | Conform          |
| Related expanded uncertainty(k=2) | 2-4 (%)          |
