## Specification Sheet

Product Name: **1-Acetyl-1,2,3,4-tetrahydroquinoline**  
Specifications & Purity: **≥98%(GC)**  
SKU #: **A151251**

| Parameter           | Limit Values                                                   |
|---------------------|----------------------------------------------------------------|
| Purity(GC)          | 98-100 (%)                                                     |
| Proton NMR spectrum | Conforms to Structure                                          |
| Appearance(A151251) | Colorless to Almost colorless to Green and yellow clear liquid |
