Specification Sheet

Product Name:	Acetylcholinesterase (ACHE)
SKU #:	A1520586
Version:	1
Source:	Native
Specifications & Purity:	ActiBioPure™, High performance, Bioactive, EnzymoPure™, Native, from Electrophorus electricus (Electric eel); ≥200 U/g enzyme powder
Concentration:	from Electrophorus electricus (Electric eel); ≥200 U/g enzyme powder
Formulation:	Lyophilized
Reconstitution:	Reconstitute in water or phosphate buffer at pH 8.0.
Storage Conditions:	Store at -20°C, Avoid repeated freeze-thaw cycles

Parameter	Limit Values
Appearance(A1520586)	White to light yellow powder
Unit enzyme activity (enzyme powder)	≥200(U/g)
