## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>Azido PEG hydroxyl, N3-PEG-OH</b> |
| Specifications & Purity: | ≥95%, MW 5000 Da                     |
| SKU #                    | <b>A163294</b>                       |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 95-100 (%)            |
| Molecular Weight    | Conforms              |
| Proton NMR spectrum | Conforms to Structure |
