## Specification Sheet

|                          |                                                                |
|--------------------------|----------------------------------------------------------------|
| Product Name:            | <b>1-(Aminomethyl)-cyclopropanecarboxylic acid ethyl ester</b> |
| Specifications & Purity: | ≥95%                                                           |
| SKU #                    | <b>A184318</b>                                                 |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 95-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
