## Specification Sheet

|                          |                      |
|--------------------------|----------------------|
| Product Name:            | <b>Anidulafungin</b> |
| Specifications & Purity: | ≥98%                 |
| SKU #                    | <b>A334411</b>       |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to structure |
