## Specification Sheet

|                          |                                    |
|--------------------------|------------------------------------|
| Product Name:            | <b>Allyl perfluoro-n-nonanoate</b> |
| Specifications & Purity: | ≥97%                               |
| SKU #                    | <b>A354242</b>                     |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 97-100 (%)            |
| Proton NMR spectrum | Conforms to structure |
| FNMR spectrum       | Conforms to Structure |
