## Specification Sheet

Product Name: **Acetarson**  
Specifications & Purity: **96%**  
SKU #: **A357000**

| Parameter                | Limit Values              |
|--------------------------|---------------------------|
| Appearance(A357000)      | White to Pale Brown Solid |
| Purity(HPLC area)        | 96-100 (%)                |
| LC-MS for identification | Conforms                  |
| NMR Spectrum 1H          | Conforms to Structure     |
