## Specification Sheet

Product Name: **APD668**  
Specifications & Purity: Moligand™, ≥96%  
SKU #: **A413612**

| Parameter           | Limit Values                         |
|---------------------|--------------------------------------|
| Appearance(A413612) | White to off white powder to crystal |
| Purity(HPLC)        | 96-100 (%)                           |
| Proton NMR spectrum | Conforms to structure                |
