

## PRODUCT IDENTITY

|                 |              |                |                                                      |
|-----------------|--------------|----------------|------------------------------------------------------|
| PRODUCT NAME    | APhos Pd G2  | PRODUCT NUMBER | A486892                                              |
| Grades & Purity | ≥98%         | VERSION        | 3                                                    |
| CAS NUMBER      | 2169976-34-3 | FORMULA        | C <sub>28</sub> H <sub>38</sub> ClN <sub>2</sub> PPd |
| FORMULA WEIGHT  | 575.46g/mol  |                |                                                      |

## ACCEPTANCE CRITERIA

| PARAMETER                         | SPECIFICATION / LIMIT                                    |
|-----------------------------------|----------------------------------------------------------|
| NMR Spectrum 1H                   | Conforms to Structure                                    |
| Phosphorus NMR spectrum           | conforms to structure                                    |
| Purity(As C)                      | 98-100 (%)                                               |
| Appearance(A486892)               | White to Light Yellow Brown to Solid or Powder or Chunks |
| ICP: Confirms Palladium Component | Confirmed                                                |
