

## Specification Sheet

Product Name: **2-Naphthylamine-3,6,8-trisulfonic acid**  
Specifications & Purity: **≥98%(HPLC), Moisture content ≤ 30%**  
SKU #: **A693412**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| Water by Karl Fischer    | 0-30 (%)              |
| Proton NMR spectrum      | Conforms to Structure |
