## Specification Sheet

|                     |                                                     |
|---------------------|-----------------------------------------------------|
| Product Name:       | Recombinant CD38 Antibody                           |
| SKU #:              | Ab007181                                            |
| Version:            | 1                                                   |
| Clone ID:           | 38C03                                               |
| Isotype:            | Mouse IgG1                                          |
| Source:             | 293 supernatant                                     |
| Formulation:        | Liquid                                              |
| Concentration:      | 0.25 mg/mL                                          |
| Buffer Solution:    | 10mM PBST, 0.015% Sodium azide, pH 7.4              |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing |

| Parameter            | Limit Values      |
|----------------------|-------------------|
| Appearance(Ab007181) | Colourless liquid |
| IHC                  | Conform           |
