## Specification Sheet

|                     |                                                             |
|---------------------|-------------------------------------------------------------|
| Product Name:       | EHHADH Antibody                                             |
| SKU #:              | Ab101230                                                    |
| Version:            | 1                                                           |
| Clone ID:           |                                                             |
| Isotype:            | Rabbit IgG                                                  |
| Source:             | Serum                                                       |
| Formulation:        | Liquid                                                      |
| Concentration:      | See COA                                                     |
| Buffer Solution:    | 10mM PBS, 50% Glycerol, 0.5% BSA, 0.02% Sodium azide, pH7.2 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing         |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab101230)    | Colourless liquid |
| Target band MW in WB    | 72-88(kD)         |
| Non-specific band in WB | Conform           |
| IHC                     | Conform           |
