## Specification Sheet

|                     |                                                                           |
|---------------------|---------------------------------------------------------------------------|
| Product Name:       | Recombinant gamma Sarcoglycan Antibody                                    |
| SKU #:              | Ab104698                                                                  |
| Version:            | 1                                                                         |
| Clone ID:           |                                                                           |
| Isotype:            | Rabbit IgG                                                                |
| Source:             | 293 supernatant                                                           |
| Formulation:        | Liquid                                                                    |
| Concentration:      | See COA                                                                   |
| Buffer Solution:    | 10mM PBS, 150mM NaCl, 50% Glycerol, 0.05% BSA, 0.02% Sodium azide, pH 7.4 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                       |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab104698)    | Colourless liquid |
| Target band MW in WB    | 28.8-35.2(kD)     |
| Non-specific band in WB | Conform           |
