## Specification Sheet

|                     |                                                              |
|---------------------|--------------------------------------------------------------|
| Product Name:       | Glutaredoxin 1 Antibody                                      |
| SKU #:              | Ab105704                                                     |
| Version:            | 1                                                            |
| Clone ID:           |                                                              |
| Isotype:            | Rabbit IgG                                                   |
| Source:             | Serum                                                        |
| Formulation:        | Liquid                                                       |
| Concentration:      | See COA                                                      |
| Buffer Solution:    | 10mM PBS, 50% Glycerol, 0.5% BSA, 0.02% Sodium azide, pH7.2. |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing          |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab105704)    | Colourless liquid |
| Target band MW in WB    | 9.6-14.4(kD)      |
| Non-specific band in WB | Conform           |
| IHC                     | Conform           |
