## Specification Sheet

|                     |                                                     |
|---------------------|-----------------------------------------------------|
| Product Name:       | Recombinant Inhibin alpha Antibody                  |
| SKU #:              | Ab110613                                            |
| Version:            | 1                                                   |
| Clone ID:           | MyM1-INHA                                           |
| Isotype:            | Mouse IgG1                                          |
| Source:             | Cell supernatant                                    |
| Formulation:        | Liquid                                              |
| Concentration:      | 1.2 mg/mL                                           |
| Buffer Solution:    | 50mM Tris-HCl, 15mM Sodium azide, < 1.0% BSA, pH7.2 |
| Storage Conditions: | Store at 2-8°C. Do Not Freeze                       |

| Parameter            | Limit Values      |
|----------------------|-------------------|
| Appearance(Ab110613) | Colourless liquid |
| IHC                  | Conform           |
