## Specification Sheet

|                     |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Product Name:       | Recombinant Mitochondrial ribosomal protein L11<br>Antibody                           |
| SKU #:              | Ab115452                                                                              |
| Version:            | 1                                                                                     |
| Clone ID:           |                                                                                       |
| Isotype:            | Rabbit IgG                                                                            |
| Source:             | Cell supernatant                                                                      |
| Formulation:        | Liquid                                                                                |
| Concentration:      | 1.5 mg/mL                                                                             |
| Buffer Solution:    | 50mM Tris-Glycine, 150mM NaCl, 40% Glycerol, 0.05%<br>BSA, 0.01% Sodium azide, pH 7.4 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                                   |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab115452)    | Colourless liquid |
| Target band MW in WB    | 18.9-23.1(kD)     |
| Non-specific band in WB | Conform           |
