## Specification Sheet

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| Product Name:       | Recombinant MT4-MMP Antibody                                               |
| SKU #:              | Ab116191                                                                   |
| Version:            | 1                                                                          |
| Clone ID:           |                                                                            |
| Isotype:            | Rabbit IgG                                                                 |
| Source:             | 293 supernatant                                                            |
| Formulation:        | Liquid                                                                     |
| Concentration:      | See COA                                                                    |
| Buffer Solution:    | 10mM PBS, 150mM NaCl, 50% Glycerol, 0.05% BSA, 0.02% Sodium azide, pH 7.4. |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                        |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab116191)    | Colourless liquid |
| Target band MW in WB    | 52.2-63.8(kD)     |
| Non-specific band in WB | Conform           |
