## Specification Sheet

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| Product Name:       | Recombinant NQO1 Antibody                                                          |
| SKU #:              | Ab118659                                                                           |
| Version:            | 1                                                                                  |
| Clone ID:           |                                                                                    |
| Isotype:            | Rabbit IgG                                                                         |
| Source:             | Cell supernatant                                                                   |
| Formulation:        | Liquid                                                                             |
| Concentration:      | See COA                                                                            |
| Buffer Solution:    | 50mM Tris-Glycine, 150mM NaCl, 40% Glycerol, 0.05% BSA, 0.01% Sodium azide, pH 7.4 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                                |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab118659)    | Colourless liquid |
| Target band MW in WB    | 27.9-34.1(kD)     |
| Non-specific band in WB | Conform           |
