## Specification Sheet

|                     |                                                     |
|---------------------|-----------------------------------------------------|
| Product Name:       | Recombinant STAT6 Antibody                          |
| SKU #:              | Ab129484                                            |
| Version:            | 1                                                   |
| Clone ID:           | EP325                                               |
| Isotype:            | Rabbit IgG                                          |
| Source:             | 293 supernatant                                     |
| Formulation:        | Liquid                                              |
| Concentration:      | 0.2 mg/mL                                           |
| Buffer Solution:    | 10mM PBST, 0.015% Sodium azide, pH 7.4              |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing |

| Parameter            | Limit Values      |
|----------------------|-------------------|
| Appearance(Ab129484) | Colourless liquid |
| IHC                  | Conform           |
