## Specification Sheet

|                     |                                                                                            |
|---------------------|--------------------------------------------------------------------------------------------|
| Product Name:       | TNFSF18/GITRL Antibody                                                                     |
| SKU #:              | Ab131864                                                                                   |
| Version:            | 1                                                                                          |
| Clone ID:           |                                                                                            |
| Isotype:            | Rabbit IgG                                                                                 |
| Source:             | Serum                                                                                      |
| Formulation:        | Liquid                                                                                     |
| Concentration:      | 1.0 mg/mL                                                                                  |
| Buffer Solution:    | 0.42% Potassium phosphate, 0.87% Sodium chloride, 30% Glycerol, 0.01% Sodium azide, pH 7.3 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                                        |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab131864)    | Colourless liquid |
| Target band MW in WB    | 18-22(kD)         |
| Non-specific band in WB | Conform           |
