## Specification Sheet

|                     |                                                                          |
|---------------------|--------------------------------------------------------------------------|
| Product Name:       | TTX-030 (anti-ENTPD1)                                                    |
| SKU #:              | Ab176608                                                                 |
| Version:            | 1                                                                        |
| Clone ID:           |                                                                          |
| Isotype:            | Human IgG4SP                                                             |
| Source:             | CHO supernatant                                                          |
| Formulation:        | Liquid                                                                   |
| Concentration:      | See COA                                                                  |
| Buffer Solution:    | Supplied as a 0.22µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0 |
| Storage Conditions: | Store at -80°C, Avoid repeated freezing and thawing                      |

| Parameter                | Limit Values      |
|--------------------------|-------------------|
| Appearance(Ab176608)     | Colourless liquid |
| Molecular Weight         | 135-175(kD)       |
| Purity(SDS-PAGE)         | 95-100(%)         |
| Purity (SEC)             | 95-100(%)         |
| Endotoxin Level <1 EU/mg | Conform           |
| Cell binding             | Conform           |
