## Specification Sheet

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Product Name:       | BTF3L4 Antibody                                                                             |
| SKU #:              | Ab191494                                                                                    |
| Version:            | 1                                                                                           |
| Clone ID:           |                                                                                             |
| Isotype:            | Rabbit IgG                                                                                  |
| Source:             | Serum                                                                                       |
| Formulation:        | Liquid                                                                                      |
| Concentration:      | 1.0 mg/mL                                                                                   |
| Buffer Solution:    | 0.42% Potassium phosphate, 0.87% Sodium chloride, 30% Glycerol, 0.01% Sodium azide, pH 7.3. |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing                                         |

| Parameter               | Limit Values      |
|-------------------------|-------------------|
| Appearance(Ab191494)    | Colourless liquid |
| Target band MW in WB    | 15.3-18.7(kD)     |
| Non-specific band in WB | Conform           |
| IHC                     | Conform           |
