## Specification Sheet

|                     |                                                               |
|---------------------|---------------------------------------------------------------|
| Product Name:       | Recombinant CD16 Antibody (Biotin)                            |
| SKU #:              | Ab216111                                                      |
| Version:            | 1                                                             |
| Clone ID:           | P93C38                                                        |
| Isotype:            | Mouse IgG1                                                    |
| Source:             | CHO supernatant                                               |
| Formulation:        | Liquid                                                        |
| Concentration:      | 0.5 mg/mL                                                     |
| Buffer Solution:    | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions: | Protected from light, Store at 2-8°C. Do Not Freeze           |

| Parameter             | Limit Values      |
|-----------------------|-------------------|
| Appearance(Ab216111Z) | Colourless liquid |
| Flow Cytometry        | Conform           |
