## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>benzylamine N-oxide</b> |
| Specifications & Purity: | ≥95%                       |
| SKU #                    | <b>B1056711</b>            |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
