## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>N-Butyldiethanolamine</b> |
| Specifications & Purity: | 98%                          |
| SKU #                    | <b>B106251</b>               |

| Parameter                           | Limit Values                            |
|-------------------------------------|-----------------------------------------|
| Refractive index n <sub>20</sub> /D | 1.461-1.464                             |
| Purity(GC)                          | 98-100 (%)                              |
| Density (20°C)                      | 0.97-0.973                              |
| Purity(Neutralization titration)    | 97.5-102.5 (%)                          |
| Appearance (B106251)                | Colorless to Pale Yellow Viscous Liquid |
| Infrared spectrum                   | Conforms to Structure                   |
