## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>p-tert-Butylphenol</b>               |
| Specifications & Purity: | analytical standard, $\geq 99.5\%$ (GC) |
| SKU #                    | <b>B110665</b>                          |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 99.5-100 (%)          |
| Infrared spectrum   | Conforms to Structure |
| Proton NMR spectrum | Conforms to Structure |
