## Specification Sheet

Product Name: **5-Bromo-4-chloro-3-indolyl phosphate p-toluidine salt**  
Specifications & Purity: for molecular biology,  $\geq 99\%$   
SKU #: **B113076**

### Parameter

Purity(HPLC)

Appearance (B113076)

Alkaline Phosphatase detection test

proteases

Proton NMR spectrum

Solubility in DMF , Clear slightly hazy yellow solution at 20 mg/ml

### Limit Values

99-100 (%)

White to light yellow-tan powder

to pass test

none detected

Conforms to Structure

pass
