

## Specification Sheet

Product Name: **2-(4-tert-Butylphenyl)-5-(4-biphenyl)-1,3,4-oxadiazle**  
Specifications & Purity: **99%**  
SKU #: **B113825**

| Parameter                                              | Limit Values          |
|--------------------------------------------------------|-----------------------|
| Melting point                                          | 136-140 (°C)          |
| Purity(HPLC)                                           | 99-100 (%)            |
| Appearance (B113825)                                   | White powder          |
| Proton NMR spectrum                                    | Conforms to Structure |
| Solubility in Toluene , colorless and clear (50mg/1ml) | pass                  |
