

## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>3-Bromo-2-chloro-5-nitropyridine</b> |
| Specifications & Purity: | 98%                                     |
| SKU #                    | <b>B121806</b>                          |

| Parameter            | Limit Values                       |
|----------------------|------------------------------------|
| Melting point        | 66-70 (°C)                         |
| Purity(GC)           | 98-100 (%)                         |
| Appearance (B121806) | White to yellow powder or crystals |
| Infrared spectrum    | Conforms to Structure              |
