## Specification Sheet

Product Name: **3-Bromo-4-methylaniline**  
Specifications & Purity: **98%**  
SKU #: **B122480**

| Parameter                               | Limit Values                             |
|-----------------------------------------|------------------------------------------|
| Crystallization point                   | 24-28 (°C)                               |
| Melting point                           | 25-28 (°C)                               |
| Purity(Titration by HClO <sub>4</sub> ) | 97.5-102.5 (%)                           |
| Purity(GC)                              | 98-100 (%)                               |
| Appearance (B122480)                    | White to yellow to brown solid or liquid |
| Infrared spectrum                       | Conforms to Structure                    |
