## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>1-Bromo-2-chloro-3-fluorobenzene</b> |
| Specifications & Purity: | 98%                                     |
| SKU #                    | <b>B122628</b>                          |

| Parameter             | Limit Values                      |
|-----------------------|-----------------------------------|
| Purity(GC)            | 98-100 (%)                        |
| Crystallization point | 27-31 (°C)                        |
| Appearance (B122628)  | White Crystals or Chunks or Solid |
| Proton NMR spectrum   | Conforms to Structure             |
