## Specification Sheet

Product Name: **5-Bromo-2-methylphenol**  
Specifications & Purity: **95%**  
SKU #: **B124288**

| Parameter                                        | Limit Values                                      |
|--------------------------------------------------|---------------------------------------------------|
| Purity(O2 AgNO3 titration with after combustion) | 94.5-105.5 (%)                                    |
| Purity(GC)                                       | 95-100 (%)                                        |
| Appearance (B124288)                             | Light yellow to brown powder or crystals or solid |
| Infrared spectrum                                | Conforms to Structure                             |
| Proton NMR spectrum                              | Conforms to Structure                             |
