## Specification Sheet

|                          |                      |
|--------------------------|----------------------|
| Product Name:            | <b>Balaglitazone</b> |
| Specifications & Purity: | ≥98%                 |
| SKU #                    | <b>B125827</b>       |

| Parameter            | Limit Values                 |
|----------------------|------------------------------|
| Purity(HPLC)         | 98-100 (%)                   |
| Appearance (B125827) | Light yellow to yellow solid |
| NMR spectrum         | Conforms to Structure        |
